EXPRESS BUS ROUTES AND TIMES CHANGE FEBRUARY 1

PINE HILLS AND FORT WILDERNESS JOIN TRANSIT NETWORK

In a move to open up new employee neighborhoods and work locations to utilize our Express Bus service, a number of changes in route and scheduled stops will become effective **Sunday, February 1**.

Highlights of these changes include a bus operating out of the Pine Hills Shopping Center, free bus connections between the downtown Pine Street Terminal and Washington Shores Terminal, twice the seating capacity on select runs, new pickup and dropoff times, bus service into Fort Wilderness, and more. There will also be a fare increase from 90¢ one-way to \$1.25.

New Express Bus schedules and related information will be available at Cast Activities and all division Transportation Coordinators' offices late next week.

To assist you in preparing for the schedule changes February 1, we are publishing the new times and stop locations. Please read them carefully and check with Cast Activities at 824-4254 if you have any questions. Remember, the buses will continue on their **current schedule** through Saturday, January 31. The **new schedules** are effective Sunday, February 1.

PINE HILLS SOUTH EXPRESS BUS

This new bus route, originating at the Pine Hills Shopping Center, will service the Raleigh Street area, make a connection at the Washington Shores Terminal and continue south to Lake Buena Vista.

Cast members who used to board the bus at the downtown Orlando **Pine Street Terminal**, will receive a **free connection** from downtown to the Washington Shores Terminal where they will meet the Express Bus, beginning Sunday, February 1. For **full details** on this free connection, please call OSOTA at 841-8240.

Pine Hills residents should park only in the southwest corner of the Pine Hills Shopping Center parking lot, just below the fish and chips restaurant. There are residential homes adjacent to the shopping center, so please be as **quiet** as possible arriving and departing.

The bus will proceed down Kirkman Road to Raleigh Street, where it will stop at the intersections of Fraizer, Deerock, and Lescot. From there it will meet downtown buses at the Washington Shores Terminal, before continuing on to Walt Disney World.

FARE INCREASES ON EXPRESS BUSES

Beginning Sunday, February 1, the one-way fare aboard both the **Southwest Orlando Express Bus** and **Pine Hills South Express Bus** will increase from 90 cents to \$1.25.

Both buses, which are operated by the Orange-Seminole-Osceola Transit Authority (OSOTA), have been at the 90-cent rate for three years or more. During that time, there have been tremendous increases in fuel costs, parts and labor, etc. The 35-cent increase is needed to bring the fare more in line with today's cost of commuting.

For employee convenience, Cast Activities and most Cash Control locations have been selling OSOTA 10-ride bus passes for \$9. These passes will be sold through the close of the business day on Saturday, January 24.

Beginning Thursday, January 29, new 10-ride passes will be on sale for \$12.50 at all the usual locations.

Please note ... effective **Sunday, February 1**, the \$9 passbook will no longer be honored on the OSOTA express buses. If you have any unused passes, bring them to Cast Activities in the **Center Building only** between Monday, February 2, and Friday, February 6, for a full refund. All books not turned in will be **voided** after Friday, February 6.

Of course, you can still pay cash direct to the driver ... **exact change only, please.**

Continued from Cover

There is a bus stop located at Turkey Lake Plaza fronting Kirkman Road. This is not a regular stop, but you may flag the bus as it passes.

Upon entering Lake Buena Vista, the bus will proceed on Vista Boulevard to World Drive with a stop at Fort Wilderness. The bus will then

Please note that the Express Bus will **no longer** come down Center Drive into the heart of the North Service Area (Facility Shops, Central Foods, Center Building) due to a tight schedule. Therefore, all cast members working in the North Service

Continued column 3

Area will exit the bus at the Fantasyland tunnel entrance and board the brown and white **employee shuttle bus** into the North Service Area. Likewise, they will catch the Express Bus at the tunnel to ride home.

The Pine Hills South Express Bus is expected to be heavily utilized as the price of gasoline spirals this Spring. Therefore, OSOTA has committed to add an additional coach on the early morning run to **double** the seating capacity.

For more information on scheduling and price, call Cast Activities at 824-4254 or OSOTA at 841-8240.

L.B.V. HOTEL PLAZA BUILDING NEW BUS STOPS

In order to provide better waiting facilities for employees in the Lake Buena Vista Hotel Plaza area, two new **bus stops** are being added.

As the Pine Hills South Express Bus and Southwest Orlando Express Bus enter Lake Buena Vista from I-4, they will continue to drop off riders in front of the hotels and the LBV Reception Center. However, as the buses **exit** the property carrying employees home, the buses will only stop at **two locations** beginning **Sunday, February 1**.

The first stop while exiting will be just north of Buena Vista Drive on Preview Boulevard. Walt Disney World Village and Dutch Resort employees will board there.

The buses will then proceed down Preview Boulevard to enter the Howard Johnson's parking lot. Midway between Howard Johnson's and the Hotel Royal Plaza on the **new bus access road**, will be the second authorized bus stop. Employees from Howard Johnson's, Hotel Royal Plaza, the LBV Reception Center, and Travelodge will board there. The buses will no longer make any stops along Preview Boulevard while exiting the property.

For more information on scheduling and bus stop locations, call Cast Activities at 824-4254 or OSOTA at 841-8240.

The Polynesian Revue will close for rehab beginning **Monday, January 26**. The show will be closed through Saturday, February 7, re-opening on Sunday, February 8, with seatings at 5:30 p.m. and 8:15 p.m.

BASS EXPORT TO SPONSOR THE BRITISH PUB AT WORLD SHOWCASE

Under a recently signed agreement, Bass Export will sponsor the British Pub that will form a major attraction in the British Pavilion at World Showcase. EPCOT Center is the further realization of Walt Disney's dream for an experimental prototype community of tomorrow.

Bill Upcott, Managing Director of Bass Export, said, "The company is delighted to be represented in this ambitious development at the World's Number-One Vacation-Destination Resort, which has attracted over 115 million visitors since opening in 1971." On opening day, World Showcase will include pavilions representing Mexico, Canada, Italy, Germany, France, Japan and Morocco in addition to the British Pavilion. The opening of pavilions for Denmark, Israel, and Africa will take place in 1983 and 1984.

Upcott added, "As the export arm of Britain's leading brewer, we are very enthusiastic to be involved in this project which will present the best of Great Britain to visitors from all over the world."

Commenting on the Bass Export agreement, Jack Lindquist, Senior Vice President, Advertising, Publicity, Promotions and Public Relations for Walt Disney Productions, said, "Our aim in World Showcase is to portray total authenticity in every national pavilion regarding the culture, heritage, foods, and products of the country represented. To have Bass Export sponsor the British Pub in the British Pavilion certainly assures us of this authenticity and quality. We are pleased and honored to welcome Bass Export to the World Showcase family in EPCOT Center."

MIKE GOODWIN WINS DECEMBER OUTSTANDING IDEA

The fifth and final Outstanding Idea for 1980 was given to **Mike Goodwin** of Arcade Maintenance.

Mike knew that Merchandise wanted to change the side-by-side cash registers used throughout Walt Disney World to a stacked-style to allow for more counter space in our shops. Mike figured out how to do the cash register here, avoiding the cost of having the registers altered elsewhere!

For Mike's contribution to our "I Have An Idea" program, Mike will receive a wooden wall plaque, a parking place of his choice for one month and either a \$100 merchandise gift certificate at the Walt Disney World Village or a Mickey Mouse telephone.

Mike will also join the seven other Outstanding Idea winners for 1980 at the annual "I Have An Idea" Awards Dinner which will be held next week. At the end of the dinner, one idea will be named as the Outstanding Idea of 1980, and the winner will receive a large wooden wall plaque as well as an all-expense-paid vacation for two!

The other Idea winners for 1980 are:

- **Richard Pinder** of Plumbing and Air-conditioning who modified the Center Building air-conditioning control system.
- **George Britton** of Steam Train Maintenance who found a way to preheat the boiler water by using the exhaust steam generator.
- **Betty Heidt** of the Contemporary Resort Hotel who redesigned the luggage tags to more clearly identify whether the guest was checking in or out.
- **Walt Hunt, John Amaral, and Randy Krall** of Facilities Animation

Continued column 2

and Show and Ride who jointly found a way to change the underwater animation at 20,000 Leagues Under the Sea to completely self-contained units.

You may be reading this list of Outstanding Idea winners for 1980 and thinking, "I can come up with ideas as good as those!"; well, maybe you can! Ideas can come to you from almost anywhere ... you may be driving to work and suddenly think of a better way to complete your daily tasks ... you may be singing in the shower and suddenly come up with a more efficient way to operate our business ... or you might think of that Outstanding Idea while taking your daily jog! Our Idea program is designed so that even if you write your idea down on a napkin, it will be reviewed by our "I Have An Idea" Committee!

You'll find "I Have An Idea" boxes located in most break areas and cafeterias with forms to fill out right there. Simply complete a form and slide it into the "I Have An Idea" box. Or if forms aren't available, just jot your idea down on a piece of paper and include your name and work location and slide it in!

If you have an accepted idea you'll receive a framed certificate noting your contribution to the program. For each additional idea accepted you'll receive additional certificates. And for three ideas accepted in one year, you'll receive a dinner-for-two at the Top of the World!

When an accepted idea is judged to receive special recognition, it will be identified as an Outstanding Idea. And all Outstanding Idea winners receive the same recognition that Mike did: a wooden wall plaque, a parking space of their choice for one month, and their choice of a \$100 gift certificate or a Mickey Mouse telephone!

So get busy and put your winning ideas to work for all of us ... and don't forget, watch upcoming **EYES & EARS** for the announcement of this year's Outstanding Idea of the Year!

BASKETBALL TOURNAMENT IN PROGRESS

In post-season tournament play at the South Orlando YMCA last week, the undefeated **Finance I** team moved into the favorite spot with two big wins.

In first-round games, Finance I broke out of a fairly close first half to

Continued column 2

defeat **MO7** by a 67-23 score. Meanwhile **Contemporary Lodging and Operations I** got together in a real scrap, with the Lodging gang coming from behind in the last four minutes to win with a 58-52 score.

In second-round games, Finance I, led by 28 points scored by Mally Pugh and 23 scored by Al Weiss, buried the Contemporary Lodging by an 84-54 score. Operations I bounced back to come from behind and eliminate MO7 by a final tally of 49-45.

Operations I now meets Contemporary Lodging again to decide who will meet Finance I on the finals. Watch next week's **EYES & EARS** for complete results.

SOFTBALL COMING UP

All interested softball team managers are again reminded that two very important meetings for league signups are scheduled for next **Wednesday, January 28**, and **Wednesday, February 4**, at 6 p.m. at the Cast Activities Lounge, second floor of the Center Building.

Signups for each league, Women's, Men's, or Co-Ed, will be taken at the first meeting along with a list of individual players seeking berths on teams. Rosters will be distributed as well.

At the second meeting on February 4, completed team rosters are due along with team dues of \$100 to insure your spot in the league. No exceptions will be made.

There is a limit to the number of teams that can participate in any of the three leagues, so league positions will be on a first-come-first-served basis. In order to be fair to all teams wanting berths, no reservations for league positions will be taken over the phone. All teams must have a representative present at both meetings.

Plan ahead!

Donald's Deals offers cast members special savings through participating area businesses. One of our newest discounts available is a special **Employees Group Purchase Plan** offered by Bill Krib's Sun State Ford.

The discount will be handled very similarly to those offered through "buyer's clubs," but you don't have to pay any membership fee. This offer will enable cast members to pay cost for the basic car they selected, paying extra only for the extras you want.

Cast members who want to take advantage of this savings program should contact **Craig Harding** at Sun State Ford at 299-5900.
